ABOUT US

Montaury Pimenta, Machado & Vieira de Mello is a leading Brazilian Intellectual Property (IP) law firm, working with national and international clients across the private and public sectors with a strong IP litigation practice. The firm has reported a remarkable growth, upholding an outstanding position in the market, especially regarding strategic and complex litigation, patent matters, including trademark and patent filing and prosecution, freedom-to-operate and infringement opinions.

Our services focus on all aspects of work in the patent and trademark areas and include strategic advice, legal analysis, searches, registrations, oppositions, administrative disputes, and also IP litigation including invalidity and infringement actions as well as the drafting of franchise contracts, the transfer of technology and licensing agreements. At the same time, our successful litigation practice, well known for its high rate of success, handles complex domestic and international disputes. Through our network of carefully selected associate firms across Brazil and worldwide we are in the ideal position to offer high quality, fast and reliable support.

Our commitment to results and expert knowledge in all industries make our team one of the best choices to protect your IP assets.
